

# Silicon Valley WebGuild Open House and Job Fair

Come prepared to network for jobs, learn more about Silicon Valley WebGuild resources that can help keep your professional skills up to date—and have some fun! Choose your own agenda as you visit recruiters' booths, explore WebGuild SIGs, or enjoy the free refreshments and do some networking. SIG volunteers will be on hand to present four times during the evening so you'll have a chance to drop by the SIGs you're interested in to hear about plans and share your ideas:

- Animation
- E-Commerce
- Intranet
- Technical Development
- Visual Design
- Web Application Development

Don't see the SIG you want? Come by and talk to us about starting it! This is the perfect way to learn more about the Silicon Valley WebGuild, to get reconnected with SIGs that you love, maybe win a terrific door prize, or lock on to that all-important career opportunity.
