Open House and Career Networking Event

Presented Wednesday, January 8, 2003, at 6:00 pm by the Silicon Valley WebGuild

Come prepared to network, learn more about Silicon Valley WebGuild resources that can help keep your professional skills up to date, investigate job openings—and have some fun! Set your own agenda as you meet your peers, explore WebGuild SIGs, enjoy the free refreshments, and visit recruiters' booths. SIG volunteers will be on hand to present four times during the evening – you'll have a chance to drop by the SIGs to learn more about them and share your ideas on:

- Animation
- eBusiness Perspectives
- Web Applications
- Web Content
- Technical Development

This is the perfect way to learn more about the Silicon Valley WebGuild, to get reconnected with SIGs that you love, maybe win a terrific door prize, or get a lead on your next career opportunity.
